Russia, the Republic of Bashkortostan UFA 2024

November 12-14

RUSSIAN INDUSTRIAL FORUM

Specialized Exhibitions

- Mechanical
- Engineering
- Metalworking

www.prombvk.ru

#rifufa #industrialforumufa #bvk

Social Networks: prombvk promexpoufa

ORGANIZERS:

- Government of the Republic of Bashkortostan
- Ministry of Industry, Energy and Innovation of the Republic of Bashkortostan
- City Council of Ufa City Urban District of the Republic of Bashkortostan
- Bashkir Exhibition Company

TRADITIONAL SUPPORT:

- Ministry of Industry and Trade of Russia
- Stankoinstrument Russian Association

National Association of Robotics Market Participants, business program partner Media 02, technical partner

We are kindly inviting you to participate in Russian Industrial Forum and Mechanical Engineering, Metalworking International Exhibitions

EXHIBITIONS ADVANTAGES

- The Republic of Bashkortostan is one of the leading industrial regions of the Russian Federation.
- The Republic of Bashkortostan is one of the leading industrial regions of the Russian Federation. Bashkortostan is a three-time winner of the rating of the Ministry of Industry and Trade of Russia on the efficiency of the industrial policy. The Republic is the fourth in the National Investment Climate Index, and the first in the number of industrial clusters
- The exhibitions are traditionally supported by the Ministry of Industry and Trade of the Russian Federation, industry unions and associations.
- It is one of the largest mechanical engineering exhibitions in Russia
- Participation of over 100 companies - key business figures in the mechanical engineering industry.
- Synergetic effect for the business audience – the forum and the exhibition are held at the same venue.
- Direct dialogue with federal and regional governmental structures, managers and specialists of the largest enterprises in Russia and neighboring countries
- 6000 visitors of the exhibition from the Republic of Bashkortostan and regions of Russia and neighboring countries.

EXHIBITIONS SECTIONS

MECHANICAL ENGINEERING

- Industrial Products of Machine-Building Enterprises
- Additive Technologies
- Welding Equipment and Materials
- Control and Measuring Equipment
- Automated Design Systems
- Software Products for Manufacturing Organization and Management
- Lubrication Equipment and Cutting Fluids
- Investment Projects and Leasing
- Metallurgy
- Protection Equipment
- Training of Professional Personnel

METALWORKING

- Metalworking and Metal Cutting Equipment
- Laser Equipment
- Robotics
- CAD/CAM/PLM Systems Automation
- Tools, Fittings and Components
- Used, Refurbished and Upgraded Equipment

TARGET AUDIENCE:

- officers of federal and local authorities;
- chief officers, chief technology officers of industrial enterprises;
- chief engineers, chief technologists;
- representatives of federal associations and unions;
- heads of regional industrial development funds;
- heads of higher educational institutions and research centers;
- heads of small and medium-sized businesses

RUSSIAN INDUSTRIAL FORUM

BUSINESS PROGRAM OF FORUM IN 2024:

- Interregional Partnership and Cooperation
- Machine Tool Engineering and Innovative Mechanical Engineering
- Digital Transformation of Industrial Enterprises
- Successful Cooperation Cases between Small and Medium-Sized Businesses
- Industrial Occupational Safety
- Scientific and Technical Import Substitution Mechanisms
- Use of Modern Personal Protective Equipment (PPE) at Enterprises
- Industrial Robotic Process Automation
- Human Resourcing of Mechanical Engineering Industry
- Renovation of Machinery and Equipment

COMPETITIONS

- 100 Best Goods of Russia 2024 Competition Award Ceremony
- Regional-Level of Female Director of the Year 2024 National Competition Award Ceremony

SUPPLIER'S DAY

- B2B meetings and negotiations with the heads of the largest regional mechanical engineering enterprises and exhibition participants

PRESENTATION SPACE

- The exhibition's open space for having presentations with potential customers

RUSSIAN INDUSTRIAL FORUM RESULTS IN 2023:

- 110 companies-participants
- 18 regions of Russia
- 6,832 specialists from 12 regions of Russia
- 20 business events
- 1,812 delegates and attendees
- 230 speakers from 19 Russian cities
- International delegations: Republic of Belarus, People's Republic of China
