

RUSSIAN INDUSTRIAL FORUM

Forum partner

Mechanical Engineering, Metalworking, Innovative Potential of Ufa

Specialized Exhibitions

NOVEMBER 12-14 / UFA 2024

BUSINESS PROGRAM SCHEDULE

NOVEMBER 12, FRIDAY

VENUE :	9:00-9:30	9:30-10:00	10:00-10:30	10:30-11:00	11:00-11:30	11:30-12:00	12:00-12:30	12:30-13:00	13:00-13:30	13:30-14:00	14:00-14:30	14:30-15:00	15:00-15:30	15:00-16:00	16:00-16:30	16:30-17:00	17:00-17:30	17:30-18:00	18:00-18:30		
MAIN STAGE (65 SEATS)	Registration of Business Program Speakers and Delegates	Forum Opening Ceremony							Coffee break & networking with guests and speakers	Session: Welding Production 2024: Technologies, Equipment, Personnel				Coffee break & networking with guests and speakers	Session: Protection of Industrial Facilities against UAVs						
CONFERENCE HALL (300 SEATS)					PLENARY SESSION: IMPORT SUBSTITUTION STRATEGY UNDER MODERN CONDITIONS: BREAKTHROUGH PROJECTS AND GROWTH POINTS					Science and Technology Session: Machine Tool Building and Innovative Mechanical Engineering: Development Strategy					Session: Innovations in Industry of Republic of Bashkortostan: Science and Industry Cooperation						
CONFERENCE HALL 1 (55 SEATS)		Session: Tools for Improving Labor Efficiency at Industrial Enterprises. Success Stories									Session: Industrial Robotization as Factor of Industry Technological Development				Session: Reverse-Engineering of Parts and Components as Mechanism of Industrial Production Development						
CONFERENCE HALL 2 (85 SEATS)				Session: Design of Industrial Facilities and Complex Technological Installations						Session: Industrial Clusters as Effective Tool for Developing Country Import Independence: Management Insights and Successful Practices					Session: New State Support Measures for Mechanical Engineering Industry under Industrial Development Fund Programs						
FORUM EVENTS AT SIDE VENUES:																					
Ufa Engine-Building Production Association 2 Ferin St.															CLOSED JOINT MEETING OF COMMISSION OF RUSSIAN UNION OF INDUSTRIALISTS AND ENTREPRENEURS ON DEFENSE INDUSTRIAL COMPLEX, INTERDEPARTMENTAL WORKING GROUP OF MILITARY INDUSTRIAL COMPLEX OF THE RUSSIAN FEDERATION ON DIVERSIFICATION AND COORDINATION COUNCIL OF DEPARTMENTS OF RUSSIAN UNION OF INDUSTRIALISTS AND ENTREPRENEURS IN VOLGA FEDERAL DISTRICT ON THE TOPIC: Potential of Defense Industrial Complex Enterprises of Russian Regions for Implementing New National Technological Sovereignty Projects through Diversification						

NOVEMBER 13, WEDNESDAY

VENUE :	9:00-9:30	9:30-10:00	10:00-10:30	10:30-11:00	11:00-11:30	11:30-12:00	12:00-12:30	12:30-13:00	13:00-13:30	13:30-14:00	14:00-14:30	14:30-15:00	15:00-15:30	15:00-16:00	16:00-16:30	16:30-17:00	17:00-17:30	17:30-18:00
CONFERENCE HALL (300 SEATS)					Coffee break & networking with guests and speakers	Seminar: Discussions on Addressing Problems of Organizations in Occupational Safety and Health Field. New Standards of Providing Personal Protection Equipment			Coffee break & networking with guests and speakers				Coffee break & networking with guests and speakers					
CONFERENCE HALL 1 (55 SEATS)	Session: Improvement of Technological Process in Automotive Industry. Opportunities and Challenges for Provision of Parts and Components			Session: Interregional Partnership and Cooperation			Session: Additive Technologies as Tool for Education and Industry Development			Session: Application of CAD Systems in Mechanical Engineering								
CONFERENCE HALL 2 (85 SEATS)	Round Table: Innovative Approaches to Personnel Training for Mechanical Engineering Industry: Perspective from Business and Educational Institutions			Session: Modern Solutions and Import Substitution Mechanisms for Manufacturing Products for Industries			Congress of Association of Women Entrepreneurs of the Republic of Bashkortostan			Round table: Development of Industrial Law in Context of Ensuring Russia's Technological Sovereignty								
MAIN STAGE (65 SEATS)	ReStart. Runway for Young Professionals.			Session: Industrial Safety: New Trends and Changes in Legislation			Round table: Emerging Technologies in Mechanical Engineering			ANNOUNCEMENT OF RESULTS OF FEMALE DIRECTOR OF THE YEAR 2024 NATIONAL COMPETITION OF REGIONAL-LEVEL								

NOVEMBER 14, THURSDAY

VENUE :	9:00-9:30	9:30-10:00	10:00-10:30	10:30-11:00	11:00-11:30	11:30-12:00	12:00-12:30	12:30-13:00	13:00-13:30	13:30-14:00	14:00-14:30	14:30-15:00	15:00-15:30	15:00-16:00	16:00-16:30	16:30-17:00	17:00-17:30	17:30-18:00
CONFERENCE HALL (300 SEATS)	INTERREGIONAL FORUM ON PROMOTING BEST PRACTICES IN SOCIAL ENTREPRENEURSHIP																	
CONFERENCE HALL 1 (55 SEATS)																		
CONFERENCE HALL 2 (85 SEATS)																		
MAIN STAGE (65 SEATS)					Workshop: Quality Management at Enterprises			ANNOUNCEMENT OF RESULTS OF 100 BEST GOODS OF RUSSIA COMPETITION OF FEDERAL LEVEL			Awarding Ceremony of Forum Participants							
USTPU	Welding and Control - 2024 5th Science and Technology Conference																	

Venue: EXPO Exhibition Complex, Ufa city (158 Mendeleev St.)
 Organizing Committee: (347) 246-42-85, 246-42-81, kongress@bvkepo.ru, www.prombv.ru
